

Personal Profile

I'm a technologically-orientated individual with an aptitude for problem solving, I'm constantly striving to improve my artistic and technical ability through critical evaluation. I'm extremely passionate about art, and have enthusiasm to acquire new skills and take on challenges. I have a keen eye for detail, and I'm a fast learner. My hobbies include making sequential art, Illustration and gaming.

Experience:

○ Gizmotec / September 2015 - Present

In my time here I have taken on a diverse range of roles, an Electronics QA tester, Electronics Technician, and most recently Operations Assistant, each role utilising my methodical, detail-oriented and thorough approach to work, and organization skills to maximize efficiency.

○ Freelance Graphics Designer/Artist / 2008 – Present

Responsible for designing branding solutions, UI and website Mock-ups. I also took on commissions, Producing bespoke Illustrations and concept artwork for clients.
